

For Immediate Release

DECLARATION OF SNOW EMERGENCY.

In accordance State Statute 166.03(4) and with Village Ordinance, the Village of Bellevue, hereby declares a snow emergency. During such period of declared snow removal emergency, no person shall cause nor allow the parking or standing of any vehicle, trailer, or semitrailer, except emergency vehicles, upon any Village Street until after the period of declaration has come to an end. The Sheriff's Department may tow away any motor vehicle, trailer, or semitrailer found in violation of this declaration at the owner's expense.

Said declaration shall take effect at 12:00 p.m. on Wednesday, February 22, 2023 and remain in effect until 12:00 p.m. on Friday, February 24, 2023.

During Bellevue's snow emergency period, the following restrictions apply:

- 1) No vehicle can park on any street until the snow emergency has expired
- 2) Overnight on-street parking will not be granted
- 3) Vehicles found parking on-street during the snow emergency will be tagged, ticketed and towed at the owner's expense

Again, the snow emergency will remain in effect until 12:00 p.m. on Friday. All Village of Bellevue residents and property owners must follow these snow emergency restrictions so they don't receive citations and the Village can clear roads in a safe and efficient manner.

Because of this winter event and extreme conditions, residents are urged not to travel unless absolutely necessary. Reduced traffic contributes to motorist safety and allows the Village to do its most effective job at clearing streets. The Village of Bellevue-DPW thanks everyone for their understanding and support on this issue.

Residents are advised that travel is extremely hazardous and should only travel in case of emergency. For Further information call (920) 468-5225 or visit the Village website.
